MANITOBA

WHO IS MARCC?

Manitoba Artist Run Centres Coalition (MARCC) is made up of artist-run centres and other not-for-profit visual arts organizations who work to ensure that visual artists, arts education, galleries, production facilities and service organizations are valued in Manitoba.

MARCC members share information, coordinate events and work towards strengthening the visual arts in our province through advocacy, networking and public engagement. MARCC is a member of ARCA, the national advocacy group for artist-run centres across Canada.
